#### JOURNAL X-RAYS.

Oon Paul seems just now to be a first-class lion tamer.

Everybody likes France and the French people, but all regret the Dreyfus business.

We might have known that Dewey would arrive before he was expected. That is a habit of his.

Railroad companies trying to abolish the free pass system is like Russia trying to establish peace for the world.

To John Bull—How would you like to trade Oon Paul Kruger for Aguinaldo? Answer quick. UNCLE SAM.

Paul Kruger is a man of few words and blunt speech. Like Gov. Jerry Bush, he might say, "I seen my duty and I done it."

To a man who left Europe because he didn't like the burdens of a colony system, this Philippine business doesn't look just right, somehow.

Ex-President Harrison and J. B. Foraker, two good Republicans, don't like the Philippine policy. Perhaps they know what that policy is.

Roberts, the polygamist, mustn't be seated in congress, but an American Solanu can have a dozen wives with impunity and draw his salary too.

Putting out those city bonds in the way it is being done is a sample of "government by and for the people," such as Abe Lincoln told about.

"How many American followers Has Aguinaldo, dad?"  
"Just now an entire army is following him, my lad!"  
—Chicago Tribune.

They say our trade must follow our flag, but the law of nations says trade follows the successful merchant, or the people who have money to buy.

The citizen who is an ardent partisan should not forget that his first duty is to his country, his party being always an honorable second. Treasonable ex-

## Copper Colored Splotches.

There is only one cure for Contagious Blood Poison—the disease which has completely baffled the doctors. They are totally unable to cure it, and direct their efforts toward bottling the poison up in the blood and concealing it from view. S. S. cures the disease positively and permanently by forcing out every trace of the taint.

I was afflicted with a terrible blood disease, which was in spots at first, but afterwards spread all over my body, and was very painful. I was in great distress, and it is easy to imagine the suffering I endured. I was so sick that the doctors could do no good. I had a sum of one hundred dollars, which I had thrown away. I then tried various patent medicines, but they did not reach the disease. When I had injected my hair, the disease was greatly improved, and was relieved with the result.

The large red splotches on my chest began to grow paler and smaller, and before long disappeared entirely. I regained my health, and am stronger than ever. My appetite greatly improved. I was soon entirely well, and my skin as clear as a piece of glass.

Don't delay all possible chance of a cure by taking any doctor's treatment of mercury and potash. These minerals cause the hair to fall out, and will wreck the entire system.

## S.S.S. For The Blood

is PURELY VEGETABLE, and is the only blood remedy guaranteed to contain no potash, mercury, or other mineral.

Books on the disease and its treatment mailed free by Swift Specific Company, Atlanta, Georgia.

Mayor F. M. Brooks has given public notice that Silverton's Sunday closing ordinances will be strictly enforced.

The Oregon synod of the Cumberland Presbyterian church convened at McMinnville Wednesday evening.

Rogue river has had no run of salmon to speak of this year.

To cure La Grippe, keep warm, especially the feet, and take Dr. Miles' Nervine.
